Hi Everyone,

Thank you to all the riders who came along to our April rally. There were lots of familiar faces as well as some fresh new ones. The weather was so perfect that we had our lessons with the wonderful Louise Hillman in the out door arena. It was a really fabulous day.

We hope to be as lucky with the weather this month as we have Janelle Richardson coming to teach flatwork and polework. All lessons are \$40 and there will be three times to choose from. See the schedule below. To book your place, just email us to let us know what class you'd like to do.

The afternoon activity this month is the Horse and Hound event where you get to bring your canine friends along who also get to have a go at the obstacle course!

To join in the fun, just email us to register
